Holy Infant Women's Guild

Our President

Please join us in the Guild Hall, Tuesday, November 10th at 6:45 pm for our Monthly Meeting. November's Activity is Stuffing pocketbooks and writing out cards. If any necessary items are still needed for pocketbooks by meeting date, Guild will purchase. We are already off to a great start with pocketbooks and items to fill them due to your generous donations so far. You can still bring items to the November meeting. We will make sure David has pocketbooks by first week in December!

Baking for Midnight Run - yes we can bake but must have all items in individual serving bags. Brownies, cookies, etc.

FISH is also looking for donations of dry and canned goods which you can bring to the Nov. meeting or leave in the Church Portico

David O'Sullivan (Community Soup Kitchen) has requested cooked Thanksgiving turkeys. Ok to team up - some people purchase and some roast! Put roasted and sliced turkeys in foil pans, securely covered and dropped off on Monday, November 23rd. OK to include jars/cans of gravy and packages of stuffing this time! David will pick up all cooked turkeys between 2 and 3 pm. If you need to drop off your turkey before that, it can be placed in the Rectory garage that morning. David will check to see if any are in there. Signup sheet on table at November meeting. Please call Joyce (203-507-9916) if you will be dropping off a Turkey.

Please see Christmas list for needy St Louis Families below.

Basket Raffle was very successful – thanks so much for your support. Thanks to all of our talented Basket designers.

The Membership Drive along with additional generous donations will ensure a good year for the Guild and a healthy donation to the Church at the end of the year. Keep up the good work; we are half way through the club year. All of the support has been very much appreciated

Stay well; you are always in our prayers.

Love,
Joyce

St Louis Christmas List - 2020
