Joy to the World by Scott Hahn

How Christ's Coming Changed Everything (And Still Does)

In *Joy to the World*, Dr. Scott Hahn brings the first Noel to new light through his thought-provoking combination of exciting story-telling and penetrating biblical insight. Christmas, as it appears in the New Testament, is the story of a father, a mother, and a child, their relationships, their interactions, their principles, their individual lives, and their life in common. To see the lives of this "earthly trinity" is to catch a first glimpse of heaven.

Dr. Hahn shows Christmas to be the story of a family.

The book is available for purchase in print from Barnes & Noble, several online sellers, as well as Kindle and audiobook formats.

The discussion meeting for this read is scheduled for
